

## **A NOTE OF CLARIFICATION**

In my Letter from the President published in **Journal of EAHIL 2026; Vol. 22 (1): 24-25** in the Section NEWS FROM EAHIL, available at <https://ojs.eahil.eu/JEAHIL/article/view/713/604>

the sentence at page 24 reads:

*“In 2027 our colleagues from Groningen (UMCG) will host our next meeting”*

I would like to clarify that at the time of publishing this Letter the decision on this proposal was still pending and the colleagues from Groningen (UMCG) are still in the process of preparing a possible proposal to host EAHIL conference in 2027.
