CONTENTS

EDITORIAL

Letter from the Editor in Chief - *F. Napolitani* 2

MONOGRAPHIC SECTION

Use of mobile devices and technologies in medical libraries
Edited by O. Obst 3

Preface

Mobile devices change the way medicine is taught, learned and practiced. That's a great challenge for libraries
O. Obst 4

Feature Articles

Enhancement or replacement? Understanding how legitimised use of mobile learning resources is shaping how healthcare students are learning
R. Fuller, V. Joynes 7

Mobile technologies and medical education at Heidelberg University Library
S. Gehrlein 11

Design, development and implementation of a mobile learning strategy for undergraduate medical education
M. Toro-Troconis, C. Morton, T. Bennie, C. Leppington, A. Hemani, M. Lupton 14

The Branch Library of Medicine Münster created a tablet toolbox for embedding mobile digital learning resources into the curriculum
O. Obst 21

Re-inventing the e-book: how tablets increased e-book take-up at Bern University
G. Bissels 23

From pilot to practice: iPads at the University of Helsinki Faculty of Medicine
T. Masalin 27

What are the attitudes of F1 doctors in Prince Philip Hospital towards their use of the iDoc app?
S. Bruch, T. Paget 32

Abandoning native apps to become future friendly
M. Jergefelt 36
